# ANIA Chapters Sponsor a NI-Certification Review Course (NI-CRC) Cohort Hybrid Offering

## Overview of Cohort Hybrid Offering

- An on-demand Chapter Certification Review Course Bundle with downloadable handouts specific to the modules (Study Plan, Foundations of Practice, System Design Life Cycle, and Data Management and Health Care Technology). The modules are pre-recorded MP4 files that are accessible with an assigned code and on-demand once registered.
- In addition, we would provide a live virtual interactive 1.5 hours session.
- A total of 12.25 ANCC contact hours.
- The ANIA Nursing Informatics Academy endorsed *Informatics Nurse Exam* book by Mometrix Media LLC is also included as a study guide.
- Chapters have discounted registration fees.

## Chapter Sponsor Essentials

- The offering date should be at least 10 weeks in advance of the offering to allow for web site and registration set-up.
- The Chapter is responsible for marketing the offering to their membership, local hospitals, clinics, universities with nursing informatics programs and other potential local marketing sources.

## ANIA National Office Responsibilities

- Registration will be managed by the national office on the ANIA web site. We will provide the Chapter with the registration link to use in your marketing.
- National office will market in ANIA e-news and the web page.
- Providing 2 highly qualified and vetted instructors who hold current ANCC certification in nursing informatics for your virtual interactive session.
